

QUAGGA BEER

ALCOHOL FREE ALE

ABOUT:

Fermented in small batches, each craft beer is a work of art with rich aromas on the nose and crisp finish. With a less than 0,5% alcohol content, these beers can be enjoyed on their own or with food at any occasion, minus the guilt.

TASTING NOTE:

This non-alcoholic Pale Ale provides a smooth and refreshing tasting experience. It provides a similar drinking experience to that of a "normal beer", without compromising on flavour or aroma. Fermented with a specially adapted yeast, which produces low levels of alcohol, but contributes ample amounts of fruity aroma and flavour. Dryhopped during fermentation, the beer gets its Citrus, Passion Fruit and Floral character from Citra, Mosaic, Cascade and Southern Passion hops. Fermented at 15°C, before being cooled and filtered coarsely.

SERVING:

Serve at 5 °C. Keep refrigerated.

ALCOHOL

<0,5% alcohol by volume.
